Magnesium C+

Properties

Magnesium C+ capsules contain Magnesium, Vitamin C and L-Glutathione as active ingredients. Magnesium is present in the form of magnesium citrate.

Magnesium contributes to:

- *normal muscle function and normal functioning of the nervous system*
- *normal protein synthesis*
- *the reduction of tiredness and fatigue*
- *normal psychological function*
- *normal energy-yielding metabolism.*

Vitamin C contributes to:

- *the protection of cells from oxidative stress*
- *normal collagen formation for the normal function of bones, teeth, gums, skin, blood vessels and cartilage*
- *the reduction of tiredness and fatigue.*
- *Vitamin C increases iron absorption.*

What is the daily reference intake?

Take 2 capsules daily with sufficient water.
